

PROUD TO SAY  
Renwick School Song

I had a dream  
Where the land was lush and plentiful  
Giving life and warmth  
And strength to build a place  
And in that dream  
The vines made patterns on the land  
The river flowed  
Through twists and turns - the pathways of learning and life

We are the heart of this land called Wairau  
We are the heart of this land and we're proud to say . . .

A Renwick kid is a give-it-a-go kid (proud to say)  
A Renwick kid is a great-to-know kid (proud to say)  
A Renwick kid is a give-it-a-go kid (proud to say)  
A Renwick kid is a great-to-know kid . . .  
Learning is strength - be the best you can be

And here we are  
The dream is real, it's not a fantasy  
We are that place  
Under sunny skies  
We do our best  
And make the most of every opportunity  
We are the future  
As we walk along the pathways of learning and life

Whakarongo ki te tangi o ngā tamariki  
Kia kaha, Hi! Kia manawanui  
Hoea te waka, hoea te waka, hoea te waka, Hi!

A Renwick kid/Whakarongo ki te tangi/Proud to say
